VIRTUAL INFORMATION GUIDE

Would you be able to do it?

Spend a night outdoors, in the shoes of a homeless youth, and feel the weight of uncertainty.

Attend class in yesterday's clothes, wondering where you'll rest your head tonight. It's a glimpse into their reality, a chance to understand, and a call to action.

Together, we can make a difference for homeless youth in our community. Join the 360° Experience and stand with those in need.

"Participating in the virtual 360° Experience opened my eyes to the realities that vulnerable youth face daily. It gave me a understanding of their struggles and showed me how 360°kids provides life-changing support. This experience wasn't just informative—it was inspiring. It fueled my commitment to be part of the solution and to spread awareness so others can join in making a difference."

Patricia Stevens, Virtual Experience Participant

Begin your 360° Experience at 7 pm. You will be sent an agenda with activies and links for the night.

High school students will receive volunteer hours for fundraising and taking part in the event. One hour for every \$100 raised and seven hours for completing the night. Additional hours to be received by sharing participation on social media.
